- ✓ Triple protection keeps women dry, secure and protected from odours.
- ✓ No fragrances or dyes in contact with skin.
- ✓ Breathable materials to care for intimate skin.

TENA lights Sensitive Light Liner

This is the smallest product in the range, and the first micro product of its kind. They are ultra absorbent but no thicker than a nail file.

TENA lights Sensitive Normal Liner

(Now also available in Duo and single wrapped packs)

Incredibly thin and discreet, only 3mm thick, the TENA lights Sensitive Normal liner offers complete security and protection. 5x drier than regular liners.

TENA lights Sensitive Long Liner (Now also available in Duo Pack)

The longest liner in the range, for that extra reassurance. Discreet, comfortable and fast absorbing. Locks in moisture and controls odour.
